

Maharashtra State Table Tennis Association

Ver. 1.0

Website address – <https://www.mstta.org>

Once the website is opened, you can view below 4 buttons on top right side of the page.

Details of each button:

Player himself has to register on mstta website. As this is a new website, all players need to register. Once player clicks on button, select option “New Player”.

Are you a new player or already registered?

If your name is not here on new MSTTA site, then you are a new player.

Then you can view a form to enter player's all details. The boxes headings in RED color are compulsory to fill. Files to be attached such as –

1. Player's photo
2. Proof of Date of Birth
3. Aadhar card file
4. Passport file (if applicable)

Complete all details and press submit.

Then you can view a window with State Registration Fee Rs. 250 and MSTTA QR code to pay the amount. This means your entry has been received successfully. Do not press submit again or do the entry again.

Player should pay the amount and send screenshot of the payment done to fees.mstta@gmail.com with player name details including State Registration number.

On registration, player will receive email with heading as below –

Player State Registration - MH000XXX - Player Name

Once the player registers, his District Admin will verify the details provided by the player and will approve the registration. Please wait till the District Admin approves the registration. Then only you can view player's name on Players page on mstta site. District Admin details you can view on Districts page.

Once registration is approved, player can give tournament entry.

For Tournament Entry – press above button. You will view below options –
